

Safety & Health Welcomes New Team Member

Anthony Russell joins the Division of Safety and Health Services as Branch Manager. Mr. Russell received his MBA, with emphasis in Economics and Labor relations from Morehead State University in 1983.

Mr. Russell began his state government career with the Kentucky Labor Cabinet in 1984 as an Employment Standards Wage and Hour Investigator and held various positions within the agency.

In 1983, he was appointed as the Director of the Division of Education and Training within the Labor Cabinet's Occupational Safety and Health Program where he was responsible for statewide administration of Occupational Safety and Health

consultation, training, statistical services, partnership programs, the Governor's Safety and Health Awards program, and Chairman/Coordinator of the Annual Governor's Safety and Health Conference and Exposition.

He organized and Chaired the Voluntary Protection Partnership (VPP) Task Group, served on the Secretary of Labor's Child Labor Task Force, and the Lt. Governor's Workplace Violence Task Group. He currently serves on the Board of Directors for the Kentucky Safety and Health Network, Inc.; Murray State University's Occupational Safety and Health Advisory Board; the Governor's Homeland Security Working Group; and the Statewide Bioterrorism Advisory Committee.

Finally, in May of 2003, he was honored with the Kentucky Safety & Health Network's President's Award as the Commonwealth's Safety and Health Professional of the Year.

We are happy to welcome Mr. Russell to our team!

"Planning" on Safety

The Division of Planning participated in safety training presented by Alan Pearson, Div. Of Safety and Health Services

Safety Stars

District 9 Boyd County Crew Members **Paul Haywood** and **Mike Wurts** are recognized for helping rescue a motorist whose vehicle caught fire after an accident. *Way to go gentlemen!*

Hard Hat Committee

Staff of the Division of Safety & Health Services met recently to update the head protection/safety policy.
